## Vision

- Our vision is to create a nationally known inner city elementary Education Institute that produces major gains in student achievement, and helps make the neighborhood in which it is located a much more pleasant place in which to live and work
- Our vision is to create one of the state's most effective schools helping secondary student who have not succeeded in traditional schools, prepare for, and be accepted into, post-secondary education
- Our vision is to create an extremely effective rural Institute that not only produces very high levels of student achievement, but also helps train the next generation of rural teachers.
- Our vision is to create a Institute that is highly regarded for its academic excellence, and for its contribution in actively serving and improving the community in which it operates.

## Mission

- Our mission is to help urban students who have not succeeded in traditional secondary schools prepare for work, active citizenship, and post-secondary, using a combination of classroom work and community internships
- Our mission is to help inner city students develop higher order thinking skills, peacemaking skills and leadership abilities in an environment of shared values of nonviolence, equality and unity, by using a combination of the Core Knowledge Curriculum and Direct Instruction
- Our mission is to partner effectively so that we help prepare middle school students to be responsible citizens, good workers and faithful family members
- Our school strives to be a racially and culturally diverse community of students, parents and staff, dedicated to creating a peaceful environment in each person is treated with unconditional positive regard and acceptance. Within such an environment, each student, will be empowered and inspired to reach his or her full academic, emotional, physical and spiritual potential.
- The mission is to empower pre institute through seventh grade children to unfold their potential as whole and unique persons, and through them create a peaceful world community.

## **P.SELLAMUTHU**

### **FOUNDER & PRESIDENT,**

#### **ABOUT US**

Mr. P. Sellamuthu, the young enterprising founder and President of Vijayalakshmi Ammal Sellamuthu Educational Trust was born with a mission, rather destined to be a visionary. His childhood days in the countryside made him a seasoned man. Basically he is an Hard worker. An urge to do something to improve the situation always haunted him, and the zests for doing only social work become a commitment and goal of his vision. There was no look-back thereafter.

The field he has been engaged since last five years did not enter deep interior villages to serve, the poorest of the poor and the downtrodden, particularly the rural women who the most exploited. He realized that if development was to take place, it could only be through empowerment of rural Indian women with the ultimate objective of ensuring them their rightful place in the society as agents of a socio-economic change and Development. Time has come to leave the institution within two-three years.

**S. RASAVENKATESAN**

**CHAIRMAN,**

He is also engaged in co-curricular activities for students during the vacation. He is engaged in child development activities.

## **Chairman's Message**

It is indeed a privilege in addressing you. Yet another year has passed and we have crossed some more milestones. At every step we had the support and motivation provided by the confident parents, dedicated teachers and committed students. Today, **Vijayalakshmi Ammal Sellamuthu Educational Trust** is growing from the strength to strength with ethical professional practices and is recognized as a reputed name in education. In all these years of experience, I learnt one very simple yet very significant lesson. The need of the society is like an ocean and the service we render are mere drops. So I am now determined to add as many drops as I can and say to myself with contentment, I tried my best.

Today, my vision is set on raising the stature of '**Vijayalakshmi Ammal Sellamuthu** to a University ', by establishing more Schools, Engineering colleges, Professional and Medical Institutions in the state and country. The task is arduous and the path grueling but I have two things going for me. One my mother's words of motivation and other the society's unstinted support.

**R. SUJATHA**

**SECRETARY**

The Vijalakhmi Ammal Sellamuthu Educational Trust strongly believes in bridging the gap between the academic and industry, by offering a pool of talented students through educational programs. The Vijayalakshmi Ammal Sellamuthu Educational Trust is also activity engaged in providing Diploma level courses Graduation Level Courses and much more. We look forward to the active participation of all departments in our endeavor to enhance professionalism at all levels in the all departments.
